are tiny matters
compared to what lies within us."*

*It is not the critic who counts;
 Not the man who points out how the strong man
 stumbles,
 Or where the doer of deeds could have done
 them better.
 The credit belongs to the man who is actually
 In the arena,
 Whose face is marred by dust and sweat and blood,
 who strives valiantly;
 Who errs and comes short again and again;
 Because there is not effort without error
 and shortcomings;
 But who does actually strive to do the deed;
 Who knows the great enthusiasm,
 the great devotion,
 Who spends himself in a worthy cause,
 Who at the best knows in the end the triumph of high
 achievement and who at the worst,
 If he fails, at least he fails while daring greatly.
 So that his place shall never be with those cold and
 timid souls who know neither victory nor defeat.”*

*“Each Morning when I open my eyes I say to myself:
 I, not events, have the power to make me happy
 or unhappy today.
 I can choose which it will be.
 Yesterday is dead, tomorrow hasn't arrived yet.
 I have just one day, today, and I'm going to be happy in it.”*

~ Groucho Marx
